# LIMITED EDITIONS

Keeping your passion intense.

The past is about reliving all those special times spent with friends on the hunt or at the shooting range. The present is about the sighs of satisfaction each time your Browning gun gets the job done. This Browning 2025 limited editions catalogue is your ticket to the future for a look at the upcoming must-haves that could be waiting in store for your customers.

These exclusive products and special offers are available to order for a limited time only, using a specific procedure. Please refer to the enclosed order form for details.

Our sales teams are available to assist you in placing your orders.

We hope you enjoy the catalogue and an excellent season!

The Browning International team

# B525

## HTG 100<sup>th</sup> ANNIVERSARY

### A HUNDRED YEARS OLD AND NOT A WRINKLE TO SHOW

Always in fashion! This B525 Hunting 100th Anniversary is the worthy younger brother to the legendary B25. The design philosophy behind this over and under remains as fresh and pepped as ever after 100 years, while the action frame on this model offers finely cut engravings. A gun of rarely equalled elegance, featuring grade 4 Turkish walnut.

► **XPR™ THUMBHOLE BROWN**

**ACCURACY IN THE PALM OF YOUR HAND**

The thumbhole stock offers perfect handling for improved accuracy. Foul weather and harsh environments pose no problems to the glued laminated wood.

- XPR Thumbhole stock in brown laminate wood
- New standard barrel profile (0.63" at the muzzle)
- M14x1 threaded barrel
- 308Win (21-inch barrel)
- 1 Picatinny rail included
- Optic not included

CODE	DESCRIPTION
535768220	XPR THUMBHOLE BROWN Thr M 14x1, NS, SM 308Win

## XPR™ COMPO COMPACT

### A RIFLE SUITED TO SMALLER FRAMES

Smaller hunters and shooters will find that the smaller stock on this rifle can be shouldered to a snug fit.

- Compact 13-inch stock
- Adjustable cheek piece
- Threaded barrel ThrM14X1

CODE	DESCRIPTION
535760220	XPR COMPO COMPACT ADJ, NS, SM, Thr M 14x1, 308Win

## XPR™ TRACKER BLAZE

### YOUR PARTNER ON THE TRACK

The camouflage leaves no room for doubt: this rifle excels on driven hunts. The short 18½ inch barrel and the sights make it a formidable tracking gun.

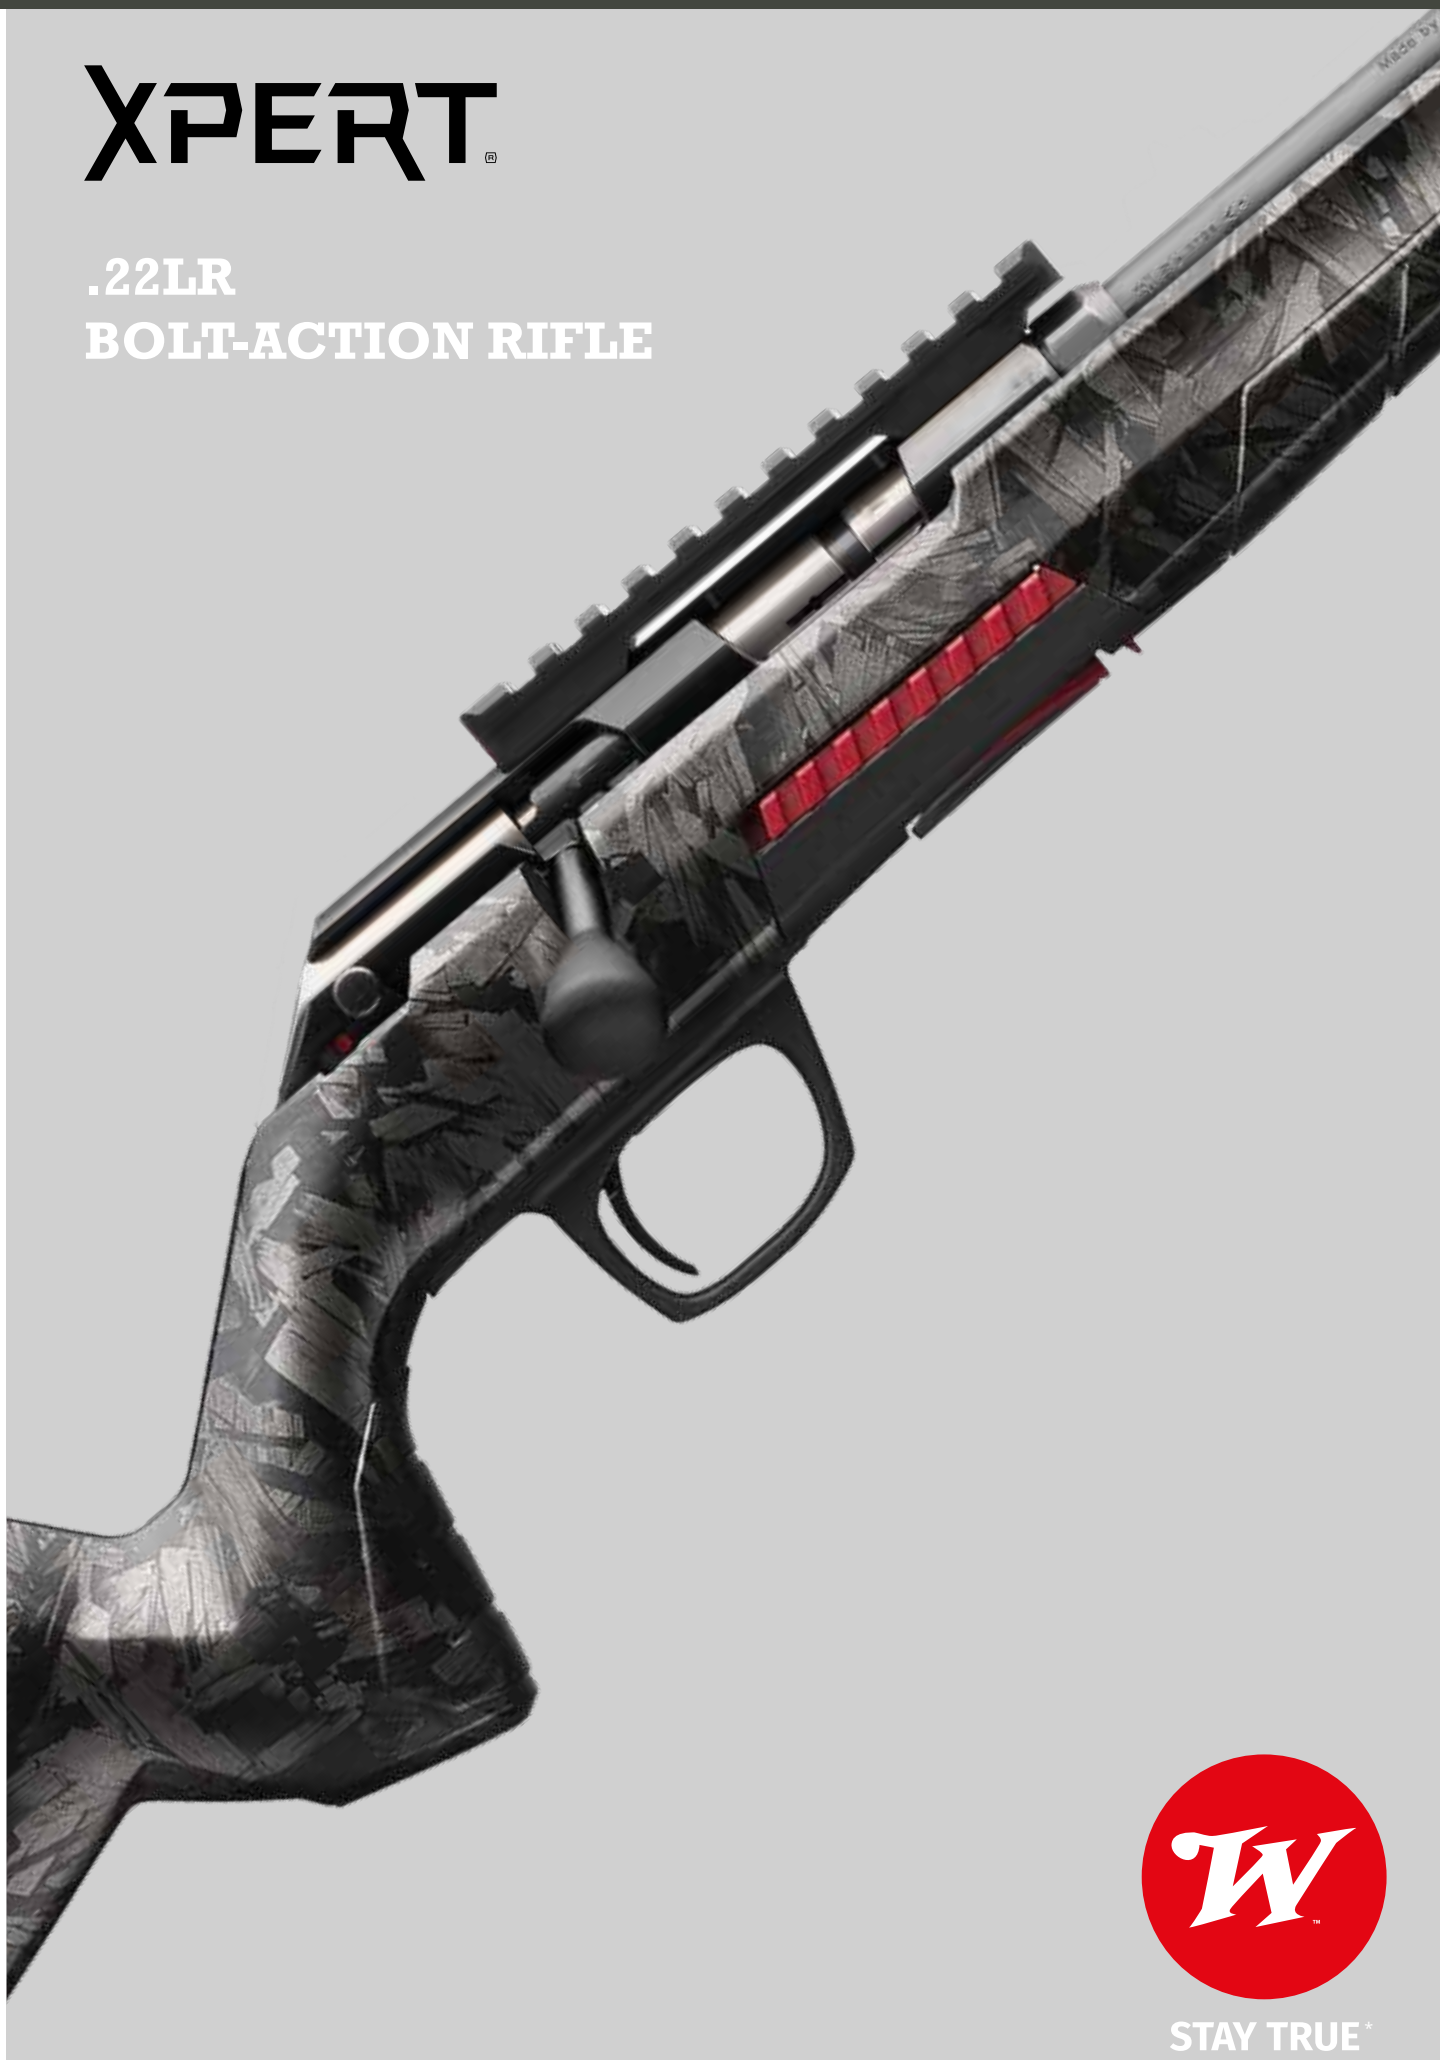

- Composite stock with DIGI BLAZE orange film
- LPA open sights (adjustable)
- 2-piece bolt lever
- Threaded barrel (18½ inch for all calibres)
- Available in 3 calibres
- Threaded barrel ThrM14X1
